We invite and welcome your help with Vacation Bible School! What makes it fun are great students and enthusiastic volunteers. You are welcome to help every day or only one or two days, or by helping prepare at home if you work outside the home during the day. This is a great service opportunity for high school students.

I would like to help with (check those that apply):

___ **Gathering supplies and preparing crafts or site decorations (some can be done at home)**

___ **Help take care of teachers' young children during VBS time**

___ **Team teach at one of the sites (2-3 teachers per site)**

___ **Helper---assists children with crafts, helps with moving children from place to place**

___ **Help with registering children on the first day**

___ **Pray for success of VBS (can be done any time!)**
